| **Field of Study**  *Category by PEACE Project* | 1. Urban and Transportation Planning  
3. Civil Engineering Material  
4. Environmental Engineering  
7. Electrical Power Engineering / Electrical Engineering |
| **Actual Study and Research Field**  *Category by University based on PEACE Project* | Same as above |
| **URL of Graduate School** | http://www.nitech.ac.jp/eng/ |
| **Degrees** | Master’s Degree in engineering |
| **Status** | Research Student (6 months)  
→ Graduate School Student (2 years) |
| **Credits and years needed for graduation (In the case of Graduate School Student)** | 30 credits,  
2 years |
| **Subjects with English as the language of instruction** | Lectures are held in both Japanese and English. For lectures offered in Japanese, assigned professors provide an additional support individually in English. |
| **Selling Point** | We will be much more aware of the globe cooperating domestic / international universities and research institutions with mutual respect of different values and will aim to foster human resources who can create / contribute to science technology that will be the foundation for happiness and development for all humanity.  
University staffs are warm-hearted and offer professional support. |
In general, a trainee enrolls in Nagoya Institute of Technology as a student. He/She should conduct an extensive research independently in his/her field of study during the Master’s degree program, directed by assigned professor. There is neither fixed class nor daily assignment. Students must be self-motivated and eager to develop a Master thesis.

### 2. Features of University

Please, see the Websites at [http://www.nitech.ac.jp/eng/](http://www.nitech.ac.jp/eng/)

### 3. Features of Graduate School

We already accepted several Afghan Students from Kabul University as MEXT scholarship Students.

### 4. Features of the Program and Curriculum in each Field of Study

- **Urban and Transportation Planning**
  - Department of Architecture, Civil Engineering and Industrial Management Engineering
    - Field of Human Space (KeyWords: Architecture and Design, Urban Design and Planning)
    - Field of Civil Engineering (KeyWord: Construction Management)
  - Department of Scientific and Engineering Simulation
    - Field of Simulation in Civil Engineering and Architectural Systems (KeyWords: Urban Planning, Architectural Design, Urban Transportation)

- **Civil Engineering Material**
  - Department of Architecture, Civil Engineering and Industrial Management Engineering
  - Department of Scientific and Engineering Simulation
    - Field of Simulation in Civil Engineering and Architectural Systems

- **Environmental Engineering**
  - Department of Architecture, Civil Engineering and Industrial Management Engineering
    - Field of Environmental Engineering and Disaster Prevention (KeyWord: Environmental management)

- **Electrical Power Engineering / Electrical Engineering**
  - Department of Computer Science and Engineering
    - Field of Systems and Control (KeyWord: Power System)

During the initial 6 month period of research student, student should discuss about the direction of further research in Master’s degree program with professor.

*Please refer Annex 1 for requirements to complete necessary 30 credits for Master's degree*

### 5. Academic Schedule

- **October 2012**: Enroll as a research student
- **January – February 2013**: The Entrance exam will be held in late January or early February
- **April 2013**: If the research student passes the entrance exams, he/she will enroll in Master’s degree program as a regular student. Annual enrollment ceremony is on 6th April.
- **March 2015**: Graduate and obtain Master’s degree
6. **Facilities**

There is the dormitory named International House, but the residence period is only for 6 months. Depending upon the room availability the student may not move-in International House.

7. **List of faculty members (supervisors) capable of guiding Afghan participants in English**

**Department of Computer Science and Engineering**

- Professor

School Attended (except graduate school)

- Kyoto University, Faculty of Engineering, 1978.03, Graduated

Graduate School Attended, etc.

- Kyoto University, Graduate School, Division of Engineering, Master Course, 1980.03, Completed

Degree

- Kyoto University, Other, Doctor of Engineering
- Kyoto University, Other, Master of Engineering

External Career
Faculty of Engineering, Kyoto University, Research Associate, 1980.04.01 - 1983.03.31

Faculty of Engineering, Gunma University, Research Associate, 1983.04.01 - 1990.03.31

Research Field
(grants-in-aid-for-scientific-research classification)

- Water control science
fujioka nobuko

Affiliation
- Department of Architecture and Design
- Department of Architecture, Civil Engineering and Industrial Management
- Engineering

Title
- Professor

Web Site
- http://archi2.ace.nitech.ac.jp/fujioka2/

Graduate School Attended, etc.
- The University of Tokyo, Graduate School, Division of General Culture, Master Course, 1988.03.31, Completed
- University of Washington Graduate School, College of Arts and Sciences, Department of Comparative Literature, Doctor Course, 1980.08.25, Unfinished course

Degree
- Literature of various countries/theories of literature criticism, Master of Arts
Academic Society Joined

- Japan Association of Comparative Literature 2002.04.01 –

Research Field
(Grants-in-aid-for-scientific-research classification)

- Aesthetics/history of art
- History of thought
- Literature of various countries/theories of literature criticism
fumoto kazuyoshi

Affiliation

- Department of Architecture and Design
- Department of Architecture, Civil Engineering and Industrial Management

  Department of Computer Science and Engineering

Title

- Associate Professor

Web Site

- http://motion.elcom.nitech.ac.jp

E-mail address

- kosaka@nitech.ac.jp

School Attended (except graduate school)

- Nagoya Institute of Technology, Faculty of Engineering, Department of electrical and computer engineering, 1994.03, Graduated

Graduate School Attended, etc.

- Nagoya Institute of Technology, Graduate School, Division of Engineering, Department of electrical and computer engineering, Master Course, 1996.03, Completed
Nagoya Institute of Technology, Graduate School, Division of Engineering, Department of electrical and computer engineering, Doctor Course, 1999.03, Completed

Degree

- Nagoya Institute of Technology, Electric power engineering/electric equipment engineering, Doctor (Engineering),
- Nagoya Institute of Technology, Electric power engineering/electric equipment engineering, Master (Engineering),

Academic Society Joined

- IEEE(Institute of Electrical and Electronic Engineers) 2003.10.28 –
- The Institute of Electrical Engineers of Japan 1994.07.01 –
- The Japan Institute of Power Electronics 2001.04.01 –
- The Institute of Electrical Installation Engineers of Japan 2009.10.01 –

Research Field
(grants-in-aid-for-scientific-research classification)

- Electric power engineering/electric equipment engineering
- Control engineering
morita yoshifumi

Affiliation

- Department of Electrical and Electronic Engineering
- Department of Computer Science and Engineering

Title

- Professor

Web Site

- http://watt.web.nitech.ac.jp/

School Attended (except graduate school)

- Nagoya Institute of Technology, Faculty of Engineering, 1987.03, Graduated

Graduate School Attended, etc.

- Nagoya Institute of Technology, Graduate School, Division of Engineering, Master Course, 1989.03, Completed

Degree

- Nagoya Institute of Technology, Control engineering, Doctor (Engineering)
- Nagoya Institute of Technology, Other, Master of Engineering
Research Field
(grants-in-aid-for-scientific-research classification)

- Machine mechanics/control
- Control engineering
- Intelligent mechanics/mechanical system
sato noritaka

Affiliation

- Department of Electrical and Electronic Engineering
  Department of Computer Science and Engineering

Title

- Assistant Professor

E-mail address

- sato.noritaka@nitech.ac.jp

Research Field
(grants-in-aid-for-scientific-research classification)

- Intelligent mechanics/mechanical system
Affiliation

- Department of Civil Engineering and Systems Management

Title

- Assistant Professor

Graduate School Attended, etc.

- The University of Electro-Communications, Graduate School, Division of Electro Communications, Master Course, 2004.03.23, Completed

- The University of Electro-Communications, Graduate School, Division of Electro Communications, Doctor Course, 2007.03.23, Completed

External Career

- Part-time researcher for university or other academic organization, 2008.06.01 - 2010.03.31

Research Field
(grants-in-aid-for-scientific-research classification)

- Social system engineering/safety system
Affiliation

- Department of Electrical and Electronic Engineering
- Department of Computer Science and Engineering

Title

- Professor

Web Site

E-mail address

- take@nitech.ac.jp

School Attended (except graduate school)

- Nagoya Institute of Technology, Faculty of Engineering, Department of Electrical Engineering, 1982.03, Graduated

Graduate School Attended, etc.

- Nagoya Institute of Technology, Graduate School, Division of Engineering, Department of Electrical Engineering, Master Course, 1984.03, Completed
Degree

- Nagoya University, Electric power engineering/electric equipment engineering, Doctor of Engineering, 1990.07.06
- Nagoya Institute of Technology, Electric power engineering/electric equipment engineering, Master of Engineering, 1984.03.23
- Nagoya Institute of Technology, Electric power engineering/electric equipment engineering, Bachelor of Engineering

External Career

- Gifu National College of Technology, Research Associate, 1984.04.01 - 1990.03.31
- Gifu National College of Technology, Lecturer, 1990.04.01 - 1991.03.31

Academic Society Joined

- The Institute of Electrical Engineers of Japan, 1982.08.01 -
- Institute of Electrical and Electronics Engineers, 1992.01.01 -
- The Society of Instrument and Control Engineers, 1990.04.01 -
- Society of Signal Processing Applications and Technology of Japan, 1998.10.01 -

Research Field
(grants-in-aid-for-scientific-research classification)

- Electric power engineering/electric equipment engineering
- Control engineering
yamazaki yoshihiko

Affiliation

- Department of Computer Science and Engineering

Title

- Professor

School Attended (except graduate school)

- Gifu University, Faculty of Education, 1971.03, Graduated

Degree

- Nagoya University, Other, Doctor of Medicine
- Other, Master of Physical Education

Research Field (grants-in-aid-for-scientific-research classification)

- Environmental physiology (includes sports medicine/nutritional physiology)
- Sports science
- Neuro/muscular physiology
yasui shinji

Affiliation

- Department of Electrical and Electronic Engineering
- Department of Computer Science and Engineering

Title

- Associate Professor

Web Site

- [http://yasui-lab.web.nitech.ac.jp/](http://yasui-lab.web.nitech.ac.jp/)

E-mail address

- yasui.shinji@nitech.ac.jp

Graduate School Attended, etc.

- Nagoya Institute of Technology, Electrical and Computer Engineering, Doctor Course, 1989.03, Completed

Degree

- Nagoya Institute of Technology, Other, Doctor (Engineering),
External Career

- Central Research Institute of Electric Power Industry, Chief Researcher, 1989.04.01 – 2005.06.30

Academic Society Joined

- Electrical Engineers of Japan 1988.04.01 –
- Chemical Engineering of Japan 1996.04.01 –
- Atomic Energy Society of Japan 1997.04.01 –
- Electrical Installation Engineers of Japan 2005.04.01 –
